MARBLING SCORE

The **special taste** of our **beef** comes above all from the strong marbling. Marbling means the relationship between the meat, muscle fibers and fat cells within the muscle structure. There is an international scale which goes from a minimum of 1 to a maximum of 12. Our meat has a marbling level of 3-4 and Wagyu beef is 5-6.

COOKING TEMPERATURES STEAKS

RARE	40-45 °C	cool and red in the centre
MEDIUM RARE	45-50 °C	a bit firmer, but still red in the centre
MEDIUM	50-55 °C	firm, soft pink
MEDIUM WELL	55-65 °C	firm, a small pink centre
WELL DONE	over 66 °C	cooked through, very firm, grey in the centre
